

Fullbore Shooting Programme 2019

Please let me know if you require Club Guns or ammunition – if you don't let me know, I won't be bringing any.

A Club 357 Marlin Rifle is now available for BB.

You should assume that is shoot is confirmed unless it is listed as cancelled. However, cancellations can occur at short notice so you should check the booking on the Club's webpage a couple of days prior to a shoot.
